About the author

Nivedita's family have been devotees of Bhagawan Sri Sathya Sai Baba for several generations. They were blessed to have their first darshan of Sri Sakthi Amma in August 2014. The connection between Divinity and devotee was immediate and the whole family surrendered themselves at the Divine Lotus Feet of their beloved Amma.

With Amma's permission, blessings and guidance Nivedita composed these bhajans.

Other publications by Dr Nivedita include- Our Loving Mother Sri Sakthi Amma Devi Stotram (DVD), Highway to Heaven, a snakes and ladders game and Dearest Amma (a book of prayers).
